Little Hearts, Big Feelings

Written and illustrated by Anabell Segura
270 x 210 cm | 32 pages | Hardback | 3+

Rights sold in English (AUS), Korean and Spanish (Latam)

Little Hearts, Big Feelings is a vibrant book series designed to help kids aged 3-5 explore and understand their emotions. Each of the six books – Happy, Sad, Surprised, Brave, Angry and Grateful – offers a journey through different feelings, making complex emotions accessible to young minds and helping them recognize how they manifest in their bodies.

With lively, commercial-style illustrations, each book is a visual treat, capturing the essence of emotions in a relatable, comprehensible manner. *Little Hearts, Big Feelings* is more than a story series – it's an emotional education tool, fostering empathy and self-awareness in young readers.

Anabell Segura or Ani, is based in Madrid, Spain. She is a children's book author and illustrator. Ani loves creating characters and stories that connect with people and illustrating them with lively and cheerful illustrations. Her favorite techniques are gouache, watercolors, colored pencils, and pastels; although she also uses digital techniques

It Is About to Rain

SP: Va a llover | Savanna Editorial
Germán Machado & Alberto Asensio
23 x 23 cm | 36 pages | Hardback | 2-5 years

World rights available

It had not rained for a long time; and the farm, the field, and the woods were thirsty. That day, the ant tells its companions that it is going to rain, so that they can be alert to the flood. The frog begins to croak, happily; the cows, to moo loudly; the bee-eater, also chirping with a lot of energy. The boy asks the father how everyone knows it's going to rain.

In this story by Germán Machado, illustrated by Albert Asensio, we witness the amazing secret language of nature while we wait for the first drops to fall.

—Va a llover—dijo la hormiga.
Y avisó a sus compañeras.

Y todas las vacas de la granja se juntaron para
esperar la lluvia.

What Blooms

SP: Lo que florece | Savanna Books
Mariana Matija | Francisca Álvarez
15 x 21 cm | 48 pages | Hardback | 12+

World rights available

What Blooms is an exploration of our interconnectedness. The book argues that we are not islands, but rather a collection of relationships. From the microscopic beings inside us to the people who love and care for us, our identity is shaped by these connections. The book reminds us that we are communities, even as individuals. It suggests that our existence is what we do to help what we love to flourish. Ultimately, *What Blooms* is a beautiful reminder that we are the contact between one life and all lives

Everything is Familiar

SP: Todo me resulta familiar | Cumio Editora

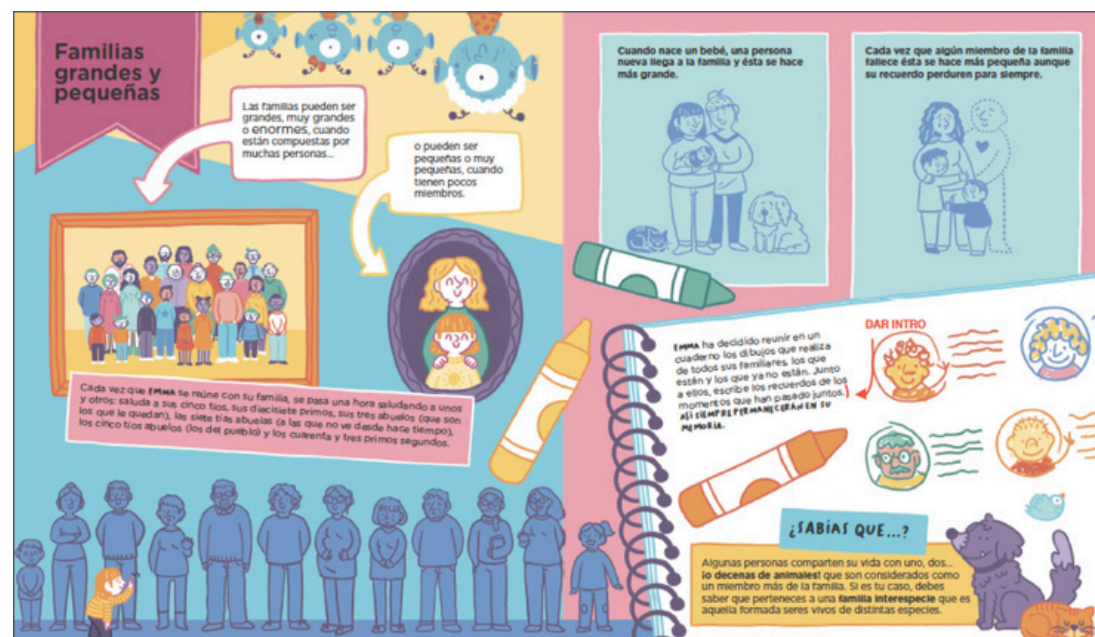

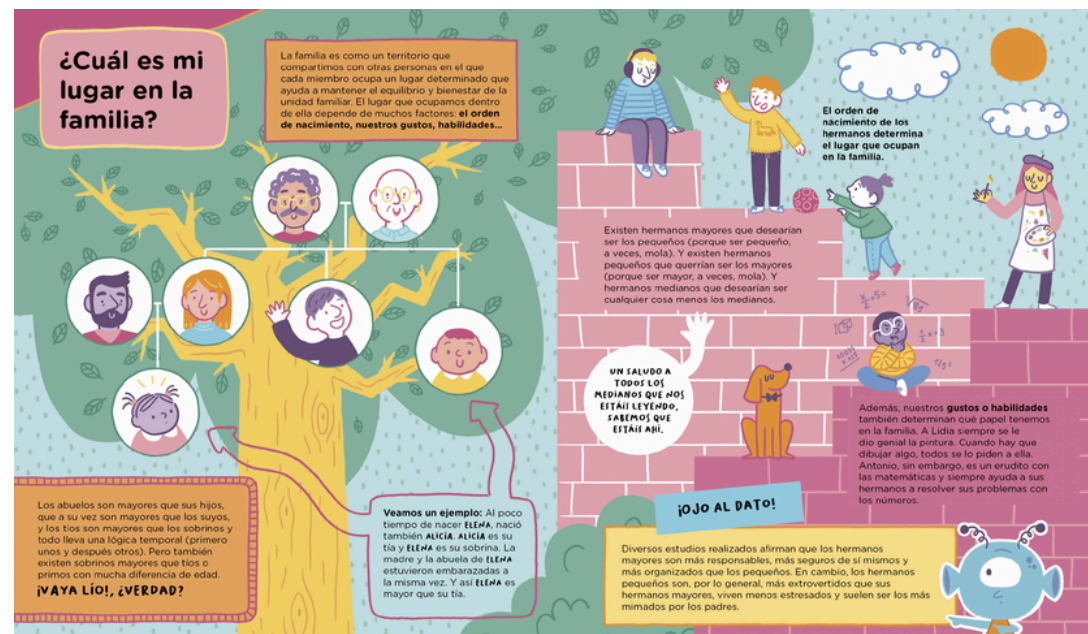

Carmen Mateo / Lirios Bou

24 x 28 cm | 48 pages | Hardback | 6+

Rights sold in Korean

The concept of family is usually defined as a “group of people related to each other who live together”, but this is not totally true. You can be a family without living together, you can be a family with no relationship between your members and can be a family made up of people and also animals. Families don’t understand numbers, space or historical moment because being family is a concept much more universal and constantly changing.

This book is the perfect tool for kids to understand what a family is nowadays, how they are changing and why they are all important.

Isa Duque & Lyona

15 x 21 cm | 104 pages | Paperback | YA

World rights available

Sexualities: An inclusive guide about Sex, Pleasure, Diversity and Consent by Isa Duque and illustrated by Lyona, is a comprehensive and inclusive guide that navigates the intricate landscape of sexuality. This book delves into crucial topics such as genital anatomy, enthusiastic consent, and the diverse spectrum of sexual experiences.

It aims to dismantle harmful stereotypes and misconceptions, promoting a healthier, more respectful understanding of sexual relationships. Through clear explanations and engaging illustrations, *Sexualities* empowers readers to embrace their sexuality with confidence and awareness, making it an essential resource for individuals seeking to enrich their knowledge about sex, pleasure, and mutual respect.

3. CHARLEMOS SOBRE LA PRIMERA VEZ LAS PRIMERAS VECES

Pasan los años, evolucionamos en muchas cosas, pero hay algo que se sigue repitiendo en torno a la mal llamada "LA PRIMERA VEZ" y que tiene que ver con esas creencias erróneas que venimos arrastrando desde yo no sé cuándo (en realidad, si lo sé; te lo cuento más adelante). Estas son algunas de las (muchísimas) preguntas que recibo sobre las primeras veces y que voy a intentar responder en este capítulo:

¿Existe realmente una primera vez perfecta? ¿Cómo se introduce el pene? ¿Cómo se hace para que no duela? ¿Cómo perdiste la virginidad? ¿Duele mucho la primera vez? ¿Cómo hago para quitarle el miedo a la primera vez? ¿Qué hacer con la presión social del entorno cuando aún no lo has hecho? ¿Cómo calculo para meterla en el agujero que es y no por el agujero de hacer pis? Si la tengo muy grande y a mi pareja no le cabe, ¿qué hago? ¿Es normal que la vagina esté tan cerrada que no quepa ni un tampón? ¿Los pedos vaginales son normales? ¿Puedo hacer algo para que no salgan? ¿Qué hago si se me queda un condón dentro de la vagina? ¿Es difícil la primera vez? ¿Qué te parece que sea tabú que sea virgen con 16-17 años? ¿Qué hacer si en medio de las relaciones tienes ganas de tirarte un pedo pero te da vergüenza? ¿Por qué esta tan normalizado esto de desvirgar a las chicas? ¿desnormalicémosnos por favor! ¿Qué hago si no me cabe la copa menstrual? ¿A qué edad recomiendo tener

4. CHARLEMOS SOBRE: DIVERSIDAD

¿Se puede ser bisexual y asexual a la vez? ¿Qué es género no binario? ¿Crees que se nace hetero/homo o se va aprendiendo? ¿Qué es el arrobamiento? ¿Qué quiere decir cis? Me da vergüenza reconocerse como una persona bi porque a la gente de confianza a la que se lo he contado me han dicho que es una etapa o moda. ¿qué me recomiendas? ¿Cómo sé si soy o no hetero? ¿Si sueño que me enrolló con personas de mi mismo sexo es que soy homosexual? ¿Cómo hago para que mi familia me acepte si soy del colectivo? ¿Qué hago si creo que soy trans? ¿Por qué hay personas que discriminan a otras por sus gustos? ¿Cuándo te diste cuenta de que eres bi? ¿Es normal sentirme atraída hacia las mujeres pero que no me gusten sexualmente?

Yo creo que la gente joven de ahora tenéis las cosas mucho más claras y una mayor aceptación de la diversidad que cuando yo tenía 15 años. A veces también me preguntáis cosas tipo: "¿Se puede tener la identidad de género de un helicóptero¹⁹?", que hacen que me salga un tic en el ojo²⁰, pero al profundizar en los talleres tengo claro que se ha adelantado mucho en la lucha por la diversidad, aunque obviamente quede camino aún por recorrer.

¹⁹ Esto de "me identifico sexualmente como un helicóptero de ataque" lo utilizaba como gajam un jugador cada vez que salían discusiones sobre políticas de identidad de género. Han pasado 10 años de eso y aún lo sigo escuchando... :3

²⁰ Son movimientos involuntarios que se aparecen en el párpado causados por el estrés (por lo menos en mi caso).

ACTIVITY BOOKS

Exper-Science

SP: Experiencia / Cumio

María Canosa & Ceci Moreno

27 x 30 cm | 48 pages | Paperback | 4+

World rights available

Exper-science is a book filled with simple and surprising experiments designed to make learning about science fun and practical. The book encourages readers to explore topics like Earth, climate, and magnetism while playing and becoming a real scientist. It's a great way to spark curiosity and prove that science is for everyone.
