# Everything is Familiar

SP: Todo me resulta familiar | Cumio Editora  
 Carmen Mateo / Lirios Bou  
 24 x 28 cm | 48 pages | Board book | 6+

Rights sold: Korean

The concept of family is usually defined as a “group of people related to each other who live together”, but this is not totally true. You can be a family without living together, you can be a family with no relationship between your members and can be a family made up of people and also animals. Families don’t understand numbers, space or historical moment because being family is a concept much more universal and constantly changing.

This book is the perfect tool for kids to understand what a family is nowadays, how they are changing and why they are all important.
